

Interested in receiving text alerts from Quorum*?

**Do important messages get lost in your email?
Are you looking for a new way to stay connected to Quorum?**

If you answered “yes” to either question above, then **Q*munication is for you.**

Q*munication is Quorum’s new text alert service, created so you never miss another important message from Quorum again.

Don’t worry – we won’t overload you with messages:
4 marketing messages (tops! we promise!) and
any emergency service alert information (emergencies only)

***Terms & Conditions**

1. Standard text messaging data rates apply.
2. Quorum will send no more than 4 marketing-related messages per month.
3. Quorum will only send critical emergency messages related to XSELLERATOR™ as necessary. These messages are not counted towards the 4 possible marketing messages monthly.
4. Users of the Q*munication Text Alert Service may unsubscribe at any time (every message offers a STOP option).
5. These terms are subject to change, and if they do, we will notify users and they will again have another opportunity to opt-out.
