

Quorum On-Site Training

We'll send our training team to you!

On-Site Training offers you the opportunity to have your employees trained at your dealership, learning at their work stations utilizing real on-the-job scenarios while minimizing downtime. Customized to fit your needs, Quorum On-Site Training also gives you flexibility to choose the training that best fits the needs of your team when it's convenient for you.

Benefits

- Employees will retain the information better while learning at their work stations with a Quorum trainer at their side.
- Quorum trainers can identify quicker steps and processes while observing your team in their work environment.
- You choose the dates of the training to best meet your needs.

Canadian Dealers – Quorum On-Site Training may be eligible for partial reimbursement from the Canada Job Training Grant. More information is available [here](#).
